The Jewellery Replacement Company

As international buyers and manufacturers with over 25 years experience in the Jewellery trade, we pride ourselves in the quality of our 9ct, 18ct and Diamond Set Jewellery.

Our reputation gained throughout the industry has enabled us to provide the finest items of Jewellery which we have presented in our new brochure and we feel sure will enable you to choose comparable Jewellery to the full value of your claim.

From our offices in Hatton Garden London, our manufacturing, importing and diamond grading departments are constantly monitoring the jewellery centres for new designs, therefore allowing us to provide you the customer with an ever-increasing array of beautiful jewellery. Obviously we cannot show every item in our brochure, but if you require a particular piece please phone our offices with your enquiry where we will endeavour to advise you as to the availability, as our product range changes constantly.

Our Guarantee

JRC takes great care to insure that every piece of Jewellery that you receive arrives in 1st class condition. If however there is a problem, or you wish to exchange an item/items, we must receive the goods back within 7 days, forwarded to our office in a Registered Envelope (postage will be refunded) upon which we will be able to exchange to your specifications.

Diamond, Sapphire, Ruby and Emerald Gem Set Jewellery

Whilst gold is priced per gram, precious Stone Set Jewellery is valued by the quality and weight of the particular stones.

As the Jewellery Replacement Company is a division of a major diamond importer and manufacturing jeweller, we can produce many designs of gem set Jewellery from hand-made to stone replacement work. We can also interchange a precious stone into any style and are more than happy to accommodate your individual requirements.

Watches

If there is a Watch to replace, we require the Make and Model number of the timepiece, whether strap or bracelet, gold, gold plated, stainless steel etc. to enable our order department to process your requirements efficiently.

How to Order

By completing the attached order-form, JRC will within 7 working days (after we receive authorisation) return to you by registered post, your selected Jewellery. Whilst every effort is made to complete your order as soon as possible, any hand-made or special Jewellery items will take longer to manufacture, and therefore we will advise you of delivery times.

If you incur any difficulty in completing the order form, please do not hesitate to contact our offices on 020 7430 0073 where one of our trained staff will be able to assist you.

General

Every care has been taken to ensure that the information in this brochure is correct, but if there is an error appertaining to price or gram weight, or due to printing or photographic processes we apologise. E&OE

Valuations Will be given on all Jewellery.

Repairs Our craftsmen carry out repairs, including ring sizing, and remodelling in our own workshop.

Engraving From initials to seal engraving.

Insurance Advice and estimates for both insurance cover and claims will be given by our trained staff.

We Will Purchase Stone set Jewellery, Old Silver, Watches and 9ct 18ct Gold.
